T&T company is a leading trade, distribution and commercial transportation solutions company into MEA markets. It is also the first company in advertising and promotional solutions targeting roads and public places.

T&T company has been working in the Egyptian market since 1987 under the name of "AlRebat for transport Services" specialized in the transport of goods, equipments, furniture.. etc,. Then, since 2017, the name of the company has been changed to become T&T company to expand its scope of work to include trade and advertising services.

# Our Services

## Trading

We offer our commercial services to serve all market sectors. We offer solutions that facilitate the movement of trade between companies and some of them, and between companies and the final consumer. Our commercial services are represented in providing various foreign agencies for various products within the Egyptian markets.

## Road Show Ads.

We offer our promotional services in the usual way to connect the product and the final consumer directly, which greatly affects the speed of the products obtaining the focus and attention of the final customer, and then achieving the market target of direct promotional campaigns.

## Transportation

The interest in transportation services has doubled and has developed significantly in recent years and has become one of the most important pillars of companies' success. Over the past ten years, most markets have relied on delivering the product from inside the store, especially with the large volume of reliance on online shopping.
